

INCANDESCENT LIGHT BULBS

The demand for incandescent bulbs has decreased, Daktronics is no longer able to provide these bulbs at a competitive price. As a result, we will no longer be stocking them.

Daktronics part number DS-1029 is a popular 25 watt frosted bulb for outdoor scoreboards. The specifications for this bulb are shown below. This is an "industrial" type bulb that will most likely only be found from online vendors. Local retail or hardware stores may also carry a 25 watt frosted bulb that would be sufficient for this type of use.
