VENUS CONTROL SUITE

CREATING AN ACCOUNT

In the Venus Control Suite, an account is defined as a company or organization and is typically used for your advertisers.

CREATING AN ACCOUNT

1. Select the **Accounts** tab from the Venus Control Suite menu.

2. Click **Add New** (see figure 1).

3. Enter the name of the company or organization in the **Account Name** box (see figure 2).
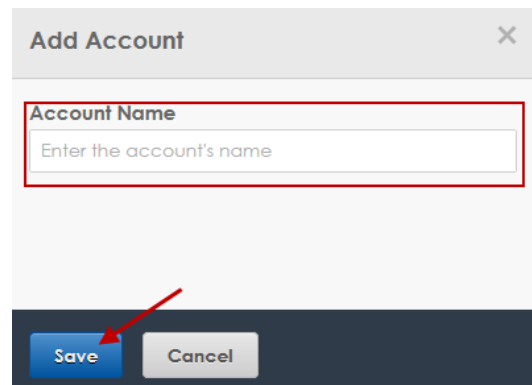

4. Click **Save** (see figure 2).
